

RoHS Directive 2011/65/EU

This is to confirm that all products manufactured by Holland Shielding Systems BV and defined in the current Holland Shielding Systems BV innovative EMI shielding solutions catalog comply with Article 4(1) of the RoHS Directive as detailed in <http://www.ce-mark.com/Rohs%20final.pdf>

This applies to the following materials:

- Lead,
- Mercury,
- Cadmium,
- Hexavalent chromium,
- Polybrominated biphenyls (PBB),
- Polybrominated diphenyl ethers (PBDE).
- Decabromodiphenyl ether (decaBDE)
