

SHIELDED BRIEFCASE

Safe data transport with the shielded briefcase

Shielded safe and secure transport of sensitive and important data. These briefcases block wireless communication such as communication with a mobile phone in the case. The briefcases are also very good in preventing eavesdropping.

Optionally this briefcase can also be delivered with an acoustic enhancement upgrade. This means that it is also not possible to make sound recordings with any sound recording device inside the case.

STANDARD TYPES

These EMI shielded briefcases can be made in any custom size. However, we have two standard sizes in stock.
