

REACH DECLARATION (REGULATION (EC) NO. 1907/2006)

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals) is a European Union Commission (EUC) Regulation on chemicals and their safe use. The REACH regulations became effective on 1 June 2007. REACH establishes specific duties and obligations on a business in the European Union (EU) which manufactures or imports a substance or article that includes a "substance of very high concern" (SVHC) in concentrations of more than 0.1% w/w.

A substance which is listed on the "Authorisation List" published by the European Chemicals Agency (ECHA) (Annex XIV of the REACH regulations) cannot be manufactured or imported in the EU after a fixed date unless the ECHA authorizes the use of the substance for a specific use or uses. As of **27 June 2024**, there were **241** substances on the Candidate List of substances of very high concern for Authorisation in accordance with Article 59(10) of the REACH Regulation.

Holland Shielding Systems BV is committed to assisting its customers in their efforts to comply with REACH. So upon review of the formulations of these products and to Holland Shielding Systems BV knowledge:

All its products do not currently contain substances listed on the Candidate List of Substances of Very High Concern, published by the ECHA on its website on the date of this statement, in excess of the applicable legal thresholds; and

Holland Shielding Systems BV will endeavor to appropriately update or modify this REACH Compliance Statement should any changes occur in the composition of Holland Shielding Systems BV products of the REACH regulations, including the addition of any substances to the SVHC Candidate List of the REACH regulations.

The most recent version of the Candidate list can be found on <https://echa.europa.eu/candidate-list-table>
